Should we work all the time without having a rest? The answer is that we can't continue working without stopping. From time to time, we need some rest to do some interesting activities. If we don't do that, we can make mistakes and our work might get worse. If we work all the time, we may lose the ability to think clearly and have no energy to continue working, so sleep is very important. It renews our energy. sports and games are also important especially for people who stay in closed offices. They are not able to do exercise. Some activities such as swimming and walking may give them a lot of energy. So, we shouldn't waste our weekends we should try to forget all about our work. We can then enjoy ourselves.

A) Answer the following questions:

- 1- How can we renew our energy?
We can renew our energy by getting enough sleep and doing sports .

B- READING COMPREHENSION

(5 MARKS)

③ Read the following , then answer the questions : (8 Marks)

In the last few years, I have travelled on some of the world longest train journeys. It goes from Moscow to the east of Russia. The journey takes nearly a week. My mother thought I would be bored, but I loved it. Then a friend advised me to take the train from Shanghai to Lhasa in China. It takes about two days. People warned me that the train goes incredibly high into the mountains and it can be difficult to breathe, but I had no problems. Finally, I travelled in Australia from Perth to Sydney. Taking the world's straightest railway for four days was unforgettable. I travelled on my own. However, I encouraged some of my friends to come with me next time. It was really an enjoyable journey.
